

**BEFORE THE
FEDERAL MOTOR CARRIER SAFETY ADMINISTRATION**

In The Matter Of:

NO LIMIT GROUP, INC.,

Respondent.

**Docket No. FMCSA-2008-0332¹
(Western Service Center)**

ORDER CLOSING DOCKET

On October 22, 2008, the Western Field Administrator for the Federal Motor Carrier Safety Administration (Claimant) submitted a Stipulation for Extension of Time for the Field Administrator to Serve His Answer to the Reply. According to the Stipulation, which was the first (and only) document filed in the docket, Claimant and Respondent stipulated to a 60-day extension of the time by which Claimant was required to serve a response to Respondent's reply to the Notice of Claim. In its reply, Respondent had requested administrative adjudication of the claim through submission of written evidence pursuant to 49 CFR 386.14(d).² Based on this Stipulation, Claimant's response date was extended to December 28, 2008.

Since this matter was not before me at the time the parties entered into their stipulation, it was not appropriate to open a docket for purposes of filing the stipulation.³

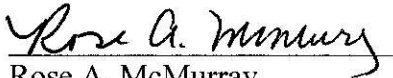

¹ The prior case number was MT-2008-0040-US0436.

² Under 49 CFR 386.16(a)(1), where a respondent has elected to submit written evidence, Agency Counsel must serve all written evidence and argument in support of the Notice of Claim no later than 60 days following service of respondent's reply to the Notice of Claim.

³ See *In the Matter of Rapid Logistics, LLC*, Docket No. FMCSA-2008-0113, Order Closing Docket, June 10, 2008.

Inasmuch as Claimant has not filed a response to Respondent's reply, the docket will be closed.⁴

It Is So Ordered.

⁴ The most likely explanation for Claimant's failure to file a response is that the parties agreed to settle the claim. A settlement agreement would not require my approval since the matter was never before the Agency decisionmaker. See *In the Matter of TCB Transportation, LLC*, Docket No. FMCSA-2009-0107, Order Closing Docket, June 19, 2009.
